ADVICE FEES – FIXED TERM ARRANGEMENTS

Section 6 Fees and Costs (pages 34 – 35)

In addition to ongoing advice fee arrangements, advice fees may also be charged by your Financial Adviser on a fixed term basis.

Where you establish a fixed term arrangement with your Financial Adviser, a fixed term fee will apply only for the period agreed to by you and your adviser. The term cannot be more than twelve (12) months and the fixed term fee will cease once the “end date” of your fixed term arrangement is reached. To establish a new fixed term arrangement, you will need to complete a new request via your Financial Adviser. You cannot pay both an ongoing and a fixed term fee at the same time.
